

## TRAIL CLIMBER SUV

### 60,000 MILE LIMITED TREADWEAR WARRANTY

S, T, H AND V  
SPEED RATED,  
UTQG 700 A B

The Trail Climber SUV is engineered to deliver a combination of comfort and performance on SUVs and cross-over vehicles. A staggered tread block design provides a quiet, superior ride while fulldepth sipes deliver exceptional all-weather traction throughout its long life. The Trail Climber SUV features a specially formulated compound for enhanced tread life.

- Block design provides noise cancellation, balances pressure and allows for more contact points on the road surface.
- Block edge design provides better wet traction and handling.
- Enhanced upper shoulder profile allows better surface contact for control.
- Tie bars on shoulders for high speed stability.
- Jointless Bead Cover: spiral steel band wrapped around beads improves the structural rigidity of the tire resulting in a smooth ride.
- Rim Protector.

The Hi Road ST is an ST tire designed for towed trailer applications. With its radial construction, the Hi Road ST is engineered to deliver long life and superior towing stability.

- Radial construction provides strength and durability
- Tread is designed to reduce excessive heat build up
- Tread pattern delivers a stable and quiet ride
- Rubber compound engineered to provide low rolling resistance
- Nylon overlay on 15" and 16" sizes.

## ULTRAMAX A/S

### 50,000 MILE LIMITED TREADWEAR WARRANTY

H, T, V AND W  
SPEED RATED,  
UTQG 420 A A  
AND 460 A B

The Ultramax AS tire is an all-season touring tire engineered to deliver exceptional handling and all-season performance. The Ultramax AS features 4 wide circumferential grooves to help channel water away quickly and efficiently delivering excellent wet weather traction. A modern non-directional tread design provides superior road feel and handling making the Ultramax AS the perfect everyday tire.

- Modern non-directional all-season tread design.
- Variable pitch tread design for low noise performance.
- Silica compound for superior wet traction and reduced rolling resistance.
- Jointless Bead Cover: spiral steel band wrapped around beads improves the structural rigidity of the tire resulting in a smooth ride.
- Higher sidewall turn-up provides improved sidewall strength and durability.

## ULTRAMAX HP A/S

### 50,000 MILE LIMITED TREADWEAR WARRANTY

V AND W SPEED  
RATED, UTQG  
480 AA A

The Ultramax HP A/S is an ultra-high performance all-season tire engineered for high-speed performance, cornering, and braking. The HP A/S delivers the perfect balance between performance and everyday comfort to give you confidence and safety in all weather conditions.

- Solid center rib for improved high-speed stability, and reduced road noise.
- Silica compound for superior wet traction and reduced rolling resistance.
- High angle tread grooves enhance water evacuation and improve wet handling and hydroplane resistance.
- Taper tread edges promote even uniform contact pressure for increased stability, even wear and a quiet ride.
- 4 wide circumferential grooves enhance water drainage to maximize grip on wet surfaces.

## TRAIL CLIMBER HT II

### 60,000 MILE LIMITED TREADWEAR WARRANTY

R, S, T AND H  
SPEED RATED,  
UTQG 500 A B

The Trail Climber HT II is engineered to deliver a comfort and performance on SUVs and cross-over vehicles. Tread design provides a quiet, superior ride while full-depth sipes deliver exceptional traction throughout its long life. The HT II features a specially formulated compound for enhanced tread life.

- Tread design provides low road noise, by even distribution of contact points.
- Biting edges in shoulder lug design provide predictable wet traction and handling.
- Tie bars on shoulders for high speed stability.
- Rim Protector.
- Mileage warranty does not apply to the LT designated tires.

## TRAIL CLIMBER AT

### 40,000 MILE LIMITED TREADWEAR WARRANTY

R, S AND T  
SPEED RATED,  
UTQG 500 A B

The Trail Climber AT is at home on road and off road. With an aggressive tread pattern and rugged sidewall the Trail Climber AT delivers exceptional traction on all road conditions. Along with strength and durability it still delivers a smooth and quiet ride for cruising.

- Modern aggressive AT design.
- Circumferential wide tread grooves deliver exceptional wet grip and handling.
- Tiered tread grooves improve water evacuation and reduces stone retention.
- High tensile strength bead wire, jointless bead cover and wrapped bead wire improves the structural rigidity of the tire resulting in a stable, smooth ride.
- Rim protector
- Mileage warranty does not apply to the LT designated tires.
