

ULTRAMAX

WINTER PRO

Conquer winter driving with the Ultramax Winter Pro, engineered to deliver consistent performance in extreme cold conditions. Built for confident handling on snow- and icy-covered roads, this winter tire combines a precision directional tread, advanced siping, and a cold-weather optimized compound to enhance traction, control, and braking. When winter demands more, the Ultramax Winter Pro delivers confidence with every journey.

TIRE FEATURES

- Directional V-shaped tread design channels snow, slush, and water away from the contact patch to enhance traction and stability on challenging winter surfaces
- Advanced 3d Siping technology creates multiple biting edges improving grip, handling, and braking on snow- and ice-covered roads.
- Maintains flexibility in low temperatures for consistent control and shorter braking distances in cold winter conditions.
